...person a... We may have had a bad fight that stopped us from being friends but I'm not going to hold a grudge! I hope you don't. Keep smilin' and good luck whatever you do.

Love, Shari

To a great friend and a wonderful person, I hope you never change for anyone. Best of luck in whatever you do, and hope you have a fantastic year.

Keep Smiling

Lori

Dear Deb,

Well, I guess I don't know how to start, we have been friend & foe soo many times it makes me dizzy. But now I hope we are both more mature (in one sense of the word) that we don't have to fight again. Only one year of school left is kind of ~~scary~~ scary (I'll be glad to get out of WHS but I always wonder if the future is promising or not. Please don't let anyone read this (I am so self conscious). I hope we will always be friends & I'll love ya always don't ever change because you are so sweet.

Love Always Julie

DEDICATION

MARSHA-"FOREVER SMILING"

We, the class of 1982 would like to give our thanks and appreciation to two very special people.

To Marsha Leahy:

A very patient lady we've always run to with all our problems. Whether it was tardies, PLB's, or make-up slips, she was always there. Marsha had a smile for everyone, and that just seemed to be exactly what we needed. She gave each of us love and personal attention, and made our lives a little easier and a lot more special.

To Paul Norton:

Mr. Norton shared with all of us his intelligence, wisdom, and brash humor. His enthusiasm for our Jr. Class Play sparked us all to life, and his patience and guidance were endless. He taught us of myths and kings, but also gave to us a real sense of reality. We owe him much, which we can never repay, and he will be remembered forever by us all.

)-81 Returning Homecoming
alty Queen Lorna Erickson,
g David Mischke.

Speaker 1978/Homecoming
Steve Comnick.

WHA celebrated Homecoming the week of October 5-9, 1981. The festivities officially began with Coronation on Monday evening King Tim and Queen Anita declared the week one of excitement and encouraged everyone to participate in the week's activities. Once again, the traditional bonfire was cancelled due to rain.

The week was full of excitement. By the end of the week, enthusiasm had risen to an all time high. It was Friday morning when the dreadful news filtered into the halls of WHS. The 1981 Homecoming football game against the Walnut Grove Loggers was cancelled due to the teachers strike at Walnut Grove.

The game may have been postponed to Oct. 29, but it was still a success. A pepfest was held at the football field. This year's new attraction was a Powder Puff Football game between the junior and senior girls. The juniors were victorious, but the game was enjoyed by all who took part.

A football game between the Westbrook Wildcats and the B-O Indians concluded the Homecoming activities. The fan support was super and the WHS Marching Band added vigor to the evening.

Homecoming '81 was unique, but so are the students of WHS who made it all possible. It shall be remembered by all.

REGION 2A CHAMPS

ON TO STATE

After a delayed start this spring because of participation in the State Basketball Tourney, WHS track got underway and had a most successful season.

The girl's track team came in in second place in the Conference this year after winning this contest for five previous years. The girls also won or place very high in a number of meets and a number of school records were broken in a number of events.

The boy's track team had a season to remember. They took first place in the Sentinel Relays, the Dutchmen Relays, and the Pipestone Invit. They won the Redrock Conference Title for the 6th year running, finished so close to the top at District, and won the Region 2A title. Westbrook had eleven events advance from District to Region and six events advance from Region to State.

It was at the State Track Meet this year that history was made once again, when Tim Boeck brought home to WHS for the first time ever a gold medal! Tim place first in the 300 Inter. Hurdles and second in the 110 Meter High Hurdles. This gave Westbrook a total of 18 points in the State Track Meet, good for a 4th place finish.

What a way to end a fabulous year! That Wildcat Pride lives inside and will hopefully be a good beginning for the upcoming year.

Coach Kjorness named District 7 & Region 2A Track Coach of the Year!

81-82 —THE YEAR OF THE CAT!!

FOOTBALL PLAYOFFS

FOOTBALL SEASON BEGINS A YEAR OF SPORTS HISTORY AT WHS

WHS had a dream. Football season '81 made this dream become reality as we edged closer and closer to the State playoffs. Our team was actually going to the State playoffs and the whole town was ready for it.

Excitement errupted when we made up for last year's defeat by S-J when the Cats' defense didn't allow them to score a point. We defeated them 40-0.

Spirit fell though, when Walnut Grove announced a forfeit of our homecoming game because of their teacher's strike. The Cats went on to finish the season undefeated and won the Red Rock Conference.

It was on to the interconference playoff with Lake Benton and the State quarter-finals with Bricelyn. In these games the team had considerably easy wins.

We had won our way to the State 9-Man Football Semi-Finals. Starbuck defeated us. It was a tough loss but we will never forget the way the whole town of Westbrook was behind the team as they went to the State Football final playoffs for the first time in WHS history.

THE JOURNEY TO STATE

When the 1982 basketball season began, the hopes and dreams of our Wildcats were set high. Game by game the dedicated team inched their way to the Red Rock Conference Championship. This in itself was an admirable accomplishment, but it was only a beginning.

As the awesome team entered Districts, a whole new and exciting season began. In this round of "climbing the mountain," Heron Lake- Okabena fell first, then Sioux Valley-Round Lake, and finally the Mt. Lake team met their destiny. The Westbrook Wildcats were the new District 7 Champions.

From the District 7 finals, the powerful Wildcats traveled to Mankato to overcome a tough Janesville team in a game that was exciting to the final buzzer. They met Pipestone next in the Regional finals and after 4 quarters of hard work, the Cats were crowned the 1982 Region 2 Champs.

us, the Cats were on the road again traveling to the St. Paul ic Center where, in their first State tournament ever, they de an impressive debut. In front of an enthusiastic crowd of ldcat fans, the determined team defeated the Argyle Eagles their opening game. The Chisholm Blue Streaks were the t opponents; the Cats were not awed by the outstanding isholm record, for the Cats had an outstanding record of ir own. In this head on battle, the Cats proved their poise l talent by losing out in overtime by a mere three points. e next afternoon, the Cats came back in full force to defeat ntgomery-Lonsdale and capture the 1982 Third Place State ss A Basketball title.

e season's dreams and goals were set high, and the Cats did disappoint.
